

PATIENT BILL OF RIGHTS

The patients of Anthony L. Jordan Health Center have the right to:

- A) Receive services without regard to age, race, color, sexual orientation, religion, marital status, sex, national origin or sponsor.
- B) Be treated with consideration, respect and dignity including privacy in treatment;
- C) Be informed of the services available at the center
- D) Be informed of the provisions for off-hour emergency coverage;
- E) Be informed of the charges for services, eligibility for third party reimbursements and, when applicable, the availability of free or reduced cost care;
- F) Receive an itemized copy of his/her account statement, upon request;
- G) Obtain from his/her health care practitioner, or the health care practitioner's delegate, complete and current information concerning his/her diagnosis, treatment and prognosis in terms that the patient can be reasonably expected to understand
- H) Receive from his/her physician information necessary to give informed consent prior to the start of any non-emergency procedure or treatment or both. An informed consent shall include, as a minimum, the provision of information concerning the specific procedure or treatment or both, the reasonably foreseeable risks involved, and the alternatives for care or treatment, if any, as a reasonable medical practitioner under similar circumstances would disclose in a manner permitting the patient to make a knowledgeable decision
- I) Refuse treatment to the extent permitted by law and to be fully informed of the medical consequences of his/her action.
- J) Refuse to participate in experimental research
- K) Voice grievances and recommend changes in policies and services to the center's staff, the operator and the New York State Department of Health without fear of reprisal
- L) Express complaints about the care and services provided and to have the center investigate such complaints. The center is responsible for providing the patient or his/her designee with a written response within 30 days if requested by the patient indicating the findings of the investigation. The center is also responsible for notifying the patient or his/her designee that if the patient is not satisfied by the center response, the patient may complain to the New York State Department of Health's Office of Health Systems Management, or The Joint Commission, (1-800-994-6610).
- M) Privacy and confidentiality of all information and records pertaining to the patient's treatment.
- N) Approve or refuse the release or disclosure of the contents of his/her medical record to any health-care practitioner and /or health-care facility except as required by law or third payment contract.
- O) Access his/her medical record pursuant to the provisions of section 18 of the Public Health Law and Subpart 50-3 of the Title.
- P) Authorize those family members and other adults who will be given priority to visit consistent with your ability to receive visitors.
- Q) Make known your wishes in regard to anatomical gifts. You may document your wishes in your health care proxy or on a donor card available from the Center.
